to sign up on the Barnstormer email list.

The Barnstormers Snowmobile Club was established in 1969. The club was established to promote safe, courteous, wise and lawful use of snowmobiles for individual and family recreation.

Barnstormer volunteers maintain nearly 45 miles of corridor and secondary trail. Trails connect to trails of other club trails in the county. Maintaining trails means brushing, signing, bridge building, culvert installation, and maintaining and using grooming equipment. Currently the club grooms with three Class A groomers and one Class B groomer.

For information on trails and trail projects, contact

The club @ barnstormers@snowclubs.com

Snowmobiles using the trails must be registered and insured.

Minors from the ages of 10 through 17

Must possess a safety certificate to operate a

snowmobile. To operate a snowmobile

unsupervised one must be at least 14.

Safety courses for minors and adults

are available. For more info Email

barnstormers@snowclubs.com

The county trail system is patrolled by various law

enforcement agencies.

Having a trail system depends on hundreds of landowners giving permission to have a trail on their land. Each club member can help maintain a positive relationship with landowners by doing the following:

Staying on trails

Obeying trail signs

Operating snowmobiles in a safe manner

Please call **Ron Jarvis, President (518-744-9656)** or **Rob Brileya (518-744-2447)** for immediate assistance.
